PRESIDENT'S CORNER

With only 2 more meetings before the summer break, we still have a lot of events planned. I'm encouraging everyone to participate as much as you can to ensure that the ECPAAA is living up to its mission of supporting the EPD through our representation in the community.

At our last meeting, by a unanimous vote, it was decided NOT to go ahead with the Nite at the Races event in the fall. After more discussion on the topic, it was decided that the nature of the event, with the many hours of preplanning and preparation, would involve more resources than everyone was prepared to invest at this time.

With that being said, I am very excited about the possibility of moving our annual pistol match to the next level and thus making it our main annual fundraiser. The ECPAAA has proven that we know how to run a good match. And with a little more effort we can make it a GREAT match. We have several ideas including how to bring in more shooters by offering more chances at great prizes. There will be more details in the coming months.
