The Euclid Citizen's Police Academy Alumni Association

September 2011

## PRESIDENT'S CORNER

Hello Everyone,

I hope you all had a relaxing summer and survived the heat wave of 2011!

And now it's September 2011, and it's the 10th anniversary of the 9/11 terrorist attacks on the World Trade Center, the Pentagon and the American psyche.

For not only are we memorializing those who perished, and remembering the destruction and damage of those iconic American structures, but we are also living with the aftermath of changes to our culture.

Some may argue that these changes, in the guise of added security, are not in the best interest of the citizens of this country and contrary to the ideals that have made this country great.

But that's another discussion for a bottle of wine over at Eric Waters.

For now I'll just share the images to the right which tell their own story and celebrate the American spirit!

J. Greiner
